Library Staff

CCLS's 23 employees, 1 Experience Works person, and 12 substitutes are the reason the library excels. Without the hard work and dedication of staff, the library would not be successful.

Services

CCLS provides books, magazines, newspapers, movies, audio books, CD music, reference advice, interlibrary loan service, computer use, copier and fax services, programming, meeting rooms, book sales, and friendly helpful service to the people of Carbon County year round.

Foundation

The Carbon County Library System would not be the great library system it is without the support of the Carbon County Library Foundation. The Foundation generates financial support above and beyond tax monies for the library system. The Foundation is currently raising funds for a permanent endowment. For every dollar donated, the state of Wyoming will give an additional two dollars: your \$1.00 becomes \$3.00. With your help, the foundation can build the endowment to over \$500,000.

Friends of the Library

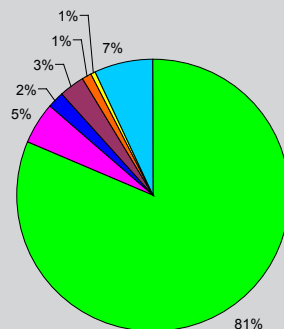

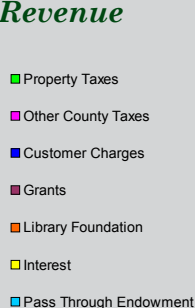

Carbon County Library System has three Friends of the Library groups in Baggs, Encampment, and Saratoga. These groups provide financial and volunteer support to their local libraries. There are over 30 friends around the county.

Financials

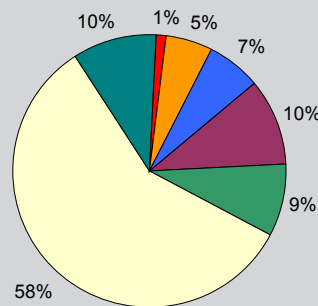

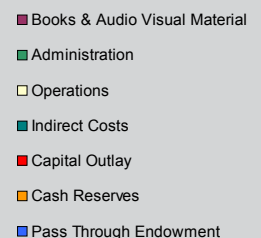

CCLS receives the majority of its money through property tax.
