Be a local hero! You can help!

The Carbon County Library System is dedicated to improving life within our county. With volunteer help we are able to make our libraries better and create a stronger community.

Volunteer Benefits

- * Being involved and able to make a difference in your community
- * Meeting new people
- * Knowing what's going on in the community
- * Learning opportunities
- * Being recognized
- * Supporting your local library

How Do I Become a Volunteer?

1. Complete the Adult or Minor Volunteer Application form that is found online at carbonlibraries.org under "About the Library System."
2. Submit the completed application to your local library.
3. The library will contact you to see what is available that fits your needs.

Monetary Contributions

If you would prefer to donate money instead of time, donations to the Carbon County Library Foundation are tax deductible. Call 800-343-0953 for more information.

Sponsor a Reading Program

The Carbon County Library System accepts money, prizes, or supplies needed for the Winter Reading Program and Summer Reading Program. These programs are annual events that promote literacy for all ages by providing incentives for reading.
