Hello, I'm Whitney Walker, the new Teen Services Librarian.

I'm from Springdale, Arkansas, and majored in English at the University of Arkansas. I got my Masters in Library and Information Studies at the University of Oklahoma and had a special interest in children's and young adult literature.

I lived in Westminster, Colorado for 5 years and worked at various library systems in the greater Denver area. I have also worked as a piano teacher and school substitute, but being a teen librarian is my dream job and I'm very excited to work in a great library system in a beautiful state.

Hello, I'm Jolanda Durbin, the new Adult Services Librarian.

I grew up in Southern Illinois, but recently graduated from the Library Masters program at the University of Denver. Like most librarians I really enjoy reading, but I also like to take photographs. I am currently learning the ropes and getting to know the terrific people in the Carbon County Library System.
