Children's Programs @ Rawlins Library

Furry Friends @ the Rawlins Library

Ages 5 - 12

Wednesday, November 26

2:00 pm - 3:30 pm

Do you love animals? Then Furry Friends @ the Library is the event for you! Representatives from Caring-Learning-Connecting Rescue and Rehabilitation will bring some special pets to the library for a visit. Listen to a story about a pet looking for a forever home. Then, learn more about what CLCRR does for animal rescue. Finally, meet our furry visitors and read a book aloud to them. It's a chance to give the animals some special attention, and it's also a great way for children to hone their reading skills.

This program is not recommended for children with allergies.

Welcome our new employee

Anne Price is our new Teen Services Librarian for the Carbon County Library System.

"I received my Master's in Library Science from the University of Iowa in May. Youth Services was my primary area of study during my Master's coursework, and I'm lucky to have the opportunity to be working in an area that I am both

interested in and passionate about. My hobbies include knitting, drawing, yoga and reading. My favorite book is *A Tree Grows in Brooklyn* by Betty Smith (everyone wants to know what a librarian's favorite book is, right?). I'm excited to be serving Carbon County and look forward to being a part of this great community."

Adult/Family Programs @ Rawlins Library

V for Vendetta

Adults Only

Wednesday, November 5

6:00 pm - 8:30 pm

Remember, remember, the 5th of November, the Gunpowder, Treason and Plot. I know of no reason why the Gunpowder Treason should ever be forgot...But what of the man? I know his name was Guy Fawkes and I know, in 1605, he attempted to blow up the Houses of Parliament. But who was he really? What was he like? We are told to remember the idea, not the man, because a man can fail. He can be caught, he can be killed and forgotten, but 400 years later, an idea can still change the world. Join the Rawlins Library staff to discuss the film, the book, and the creativity and history behind both.
