## **RECONSIDERATION OF LIBRARY MATERIALS POLICY**

The Carbon County Library System follows the Collection Development and Maintenance Policy for adding and maintaining materials in the collection. Adhering to the American Library Association Bill of Rights and the American Library Association Freedom to Read Statement, the Carbon County Library System believes censorship to be an individual matter.

For a request to be considered, a Request for Reconsideration of Materials Form (available from the Library Director) must be completed in full.

The Library Board will review the request at a board meeting and the board's decision will be final.
